

Advisory Number: SPA-23-02-01

Dealer Advisory

Non-Greaseable Anti-Scalp Wheel

Advisory Type	Informational
Affected Units	All mowers.
Situation	Vendor change
Factory Action	Spartan Mowers is switching to a non-greaseable anti-scalp wheel (P/N 422-0061-00). This change will occur when supplies of the greaseable wheels are depleted.
Dealer Action	Communicate this information to appropriate employees.
